AILET

AILET 2022 Question Paper: Download PDF Here!

Ruchika Mohapatra · 22 Aug 2024

Previous year papers give you an idea of the difficulty level of questions asked in AILET. Understanding the level of complexity helps you prepare mentally and focus on honing the necessary skills.

AILET 2022 shifted towards a more reasoning-heavy structure, with a focus on critical and analytical thinking across all sections. This paper is highly recommended for understanding how reasoning skills are tested in AILET.

The paper was for **150 marks**, with no negative marking. It was considered **moderately difficult** , with the Legal Aptitude section requiring extra effort.
