Mrinaal Datt · 10 Sep 2022

One the lines of CLAT, for the first time ever, the AILET exam will be held twice in one year. AILET exam, also known as the All India Law Entrance Test, is the pathway for admission to the National Law University of Delhi. The AILET 2023 registrations opened on September 7, which is certainly a first for aspirants.

It seems like NLU Delhi is toeing the line of the CLAT Consortium- which is the governing body for the CLAT exam when it announced that the CLAT exam will now be held in December. This is being done to elevate the pressure on students during the Board exams season, so that the two do not clash.
