Important Points to Remember for AILET 2024

- Legal principles may be used in the logical reasoning section to test logical aptitude but the examination will not require any kind of legal knowledge or technical understanding.
- Negative marking: The criteria for negative marking will be based on the formula 0.25*4=1 that means per wrong answer 0.25 Marks will be deducted.
- If two or more candidates get the same marks, their merit will be determined on the basis of higher marks in the section on LOGICAL REASONING in the AILET 2024.
- If the merit is still same, then the candidate senior in age shall get preference.
- If still there is no change in merit, then computerized draw of lots shall be taken into consideration.
