About the BML Munjal University and Lawctopus Webinar

BML Munjal University in collaboration with Lawctopus brings you an Exclusive Webinar on **"What can a Law School do for you?"**

Date and Time: Oct 9, 2020, 05:00 PM

The webinar will cover topics like:

- Basic skills & attitude you as a young lawyer need and how to develop them.
- How school students can start preparing for a career in law today and move one step closer to their goal with a right law school.
- Mindset and skills the lawyer of tomorrow must have and how to acquire them.
- How a law school can help you achieve all this.

The webinar will prove to be an exciting and informative discussion for school students thinking about studying law. It will be an excellent platform to have your questions of the future answered by two experts in the field.

About the Speakers

The speakers for the webinar are:
