CLAT PG 2026 Exam Pattern

The CLAT PG 2026 question paper has 120 multiple choice questions worth one mark each, to complete in 2 hours. Each wrong answer costs 0.25 marks. Most questions build on passages, so the paper tests how well you apply legal principles rather than how much you memorise.

Why Solve the CLAT PG 2026 Question Paper

This is the latest CLAT PG paper, so it shows you the current question style, difficulty level, and subject mix better than any older paper. Attempt it in one timed sitting, then check your mistakes against the answer key to find your weak topics.
