As a response to the concerns regarding the lengthiness of the CLAT 2023 question paper, the number of questions for CLAT 2024 were reduced to 120. Previously, the question paper consisted of 150 questions. This year the Question Paper for CLAT UG will consist of 120 questions.

This year, the paper was easy but slightly lengthy. The passages ranged from easy-medium in terms of difficulty. Some questions in the Quantitative and Logical Reasoning section were slightly tricky. Legal Reasoning had easy passages while Current Affairs had predictable topics mostly with the questions being rather direct and fact-based.
