FREE CLAT UG 2026 Capsule Course by CLATalogue and Lawctopus Law School

Ruchika Mohapatra · 13 Jul 2025

CLAT 2026 Course: Start Early, Start Right with a Free Capsule Course by CLATalogue & Lawctopus Law School.

The **Common Law Admission Test (CLAT)** is the gateway to India's premier National Law Universities (NLUs), and the competition is only getting tougher each year. With over 70,000+ aspirants competing for fewer than 3,000 seats, **smart, structured, and early preparation** is the key to securing a top rank.

If you're currently in **Class 11 or 12**, and law is your chosen path, starting your CLAT preparation now gives you a significant edge over others. Early starters don't just perform better, they approach the exam with greater confidence, conceptual clarity, and exam-readiness.

To help you take your **first smart step**, **CLATalogue and Lawctopus Law School** bring to you a **completely free CLAT UG Capsule Course**, designed to introduce you to all five key areas tested in CLAT.

What You'll Learn in This Free Capsule Course

The course provides a crisp yet comprehensive overview of the CLAT syllabus and pattern. Here's what's inside:

1. Legal Reasoning

- Understand how legal principles are applied
- Learn to read legal passages critically
- Practice legal reasoning questions modeled on past CLAT papers

2. Logical Reasoning

- Break down arguments, assumptions, and conclusions
- Learn time-saving tricks for solving puzzles, arrangements, and logical questions
- Solve sample questions with explanations

3. English Language

- Develop skills for reading comprehension, vocabulary, and grammar
- Understand what CLAT expects from RC passages and how to tackle them

4. Current Affairs including General Knowledge

- Learn how to stay updated without wasting time
- Get curated tips on how to prepare monthly current affairs
- Access a sample CA module for practice

5. Quantitative Techniques

- Focus on data interpretation, basic math, and logic-based calculations
- Build confidence even if you don’t have a math background

Why Join This Course?

- Free of cost – No hidden charges, full access without payment
- Designed by top educators – Faculty includes NLU alumni and students
- Perfect for beginners – Whether you’ve just decided to appear for CLAT or are looking to revise your basics
- Self-paced – Learn anytime, anywhere, at your own speed
- Mentorship and guidance – Understand how to approach CLAT preparation strategically

Who Should Enroll?

- Students of Class 11 or 12 considering CLAT 2026 or 2027
- Parents looking for credible, high-quality guidance for their child’s law entrance prep
- Beginners unsure where to start and need structured direction

This course is **not just an introduction,** it's your starting line with a map in hand. Before you dive into full-fledged prep, the Capsule Course will show you what lies ahead and how to prepare with purpose.
