About LSAT India

LSAT India is a standardized test of reading and verbal reasoning skills designed by the USA-based Law School Admission Council (LSAC). It is used by law schools in India that offer 5-year LLB, 3-year LLB, and LLM programs. It is primarily a test of reasoning, reading, and critical analysis skills. LSAT in India is usually conducted in two sessions, one in January and one in June.

LSAT India Scholarship

In an attempt to make law college accessible to everyone, LSAC Global offers scholarships for LSAT India test takers every year i.e. the LSAT India Topper Scholarship and the Shamnad Basheer Access to Justice Scholarship.

Both the scholarships cover tuition and halls of residence fees for the first year of specified law programs at an LSAC Global Law Alliance college up to the maximum amount allocated. Any amount that remains unutilized can be rolled over to the subsequent year.
