MH CET Law Syllabus

Logical/Abstract Reasoning

- The aim of this section is to check the interest of the student towards the legal aptitude, the study of law and problem-solving ability.
- The questions are framed around legal prepositions and a set of facts where the said prepositions have to be applied.
- In certain cases, the prepositions might not be true. Here, the candidates have to assume the prepositions are true and have to draw a conclusion on the basis of the hypothetical proposition.

General Knowledge and Current Affairs

- The candidates are assessed on the basis of their awareness of the world. Also, the knowledge of recent happenings of the aspirant is put to test.
- Topics to be studied in General Knowledge and Current Affairs section include Geography, History (Modern, Medieval, Ancient), Economics, General Science, Current Affairs and Civics.
- Generally, the events from the past year are covered.

Logical and Analytical Reasoning

- The candidates are tested on their ability to identify logical links, patterns and rectify illogical arguments.
- Logical and Analytical Reasoning Section comprises completing arguments, analogies, reasoning by analogy, drawing well-supported conclusion and applying principles and rules.
- Further, the potential of the aspirants is measured on the parameters of comprehending the structure, relationship and to draw logical conclusions about the structures.
- It also englobes reasoning deductively from the set of rules and statements or principles that describes the relationship among things, events and persons.

English

- The English section includes the questions from the areas like Vocabulary, English Usage Errors and Proficiency of the English Language.
- The candidates are judged as per their English comprehension skills with a minimum of 2 passages.
- Reasoning and reading ability of the aspirant is also tested by around five to ten questions that follow the comprehension passages.

Basic Mathematics

- The numerical ability of the candidates is tested in the Basic Mathematics section.
- The questions put up from Mathematics in MH CET Law are from class 10 of various topics including Speed and Distance, Profit and Loss, Algebra, Average, Time and Work and Venn Diagram.
