About Lawctopus Law School (LLS)

With over 14,000 learners, **Lawctopus Law School** (LLS) has quickly established itself as the place for practical online legal education in India. Our course rating in the year 2023 has been an average of **92.64/100.**

All LIVE courses of LLS are completely online; consist of weekly LIVE lectures, and come with assignments that mimic the real-world and personal feedback.

All our LIVE courses come with a 100%, no-questions-asked money-back guarantee.Read the details here.

Our promise is two-fold:

1. If you are a **law student**, you'll stand out during your internships. Your colleagues will wonder "How did this person learn *THIS*!"

2. If you are a **young lawyer** (0-3 years of experience), you'll be able to start taking up work related to the subject area of your course

*On successful completion of the assignment, you will get a **Completion Certificate** from Lawctopus Law School. Top performers get a **Merit Certificate** from Lawctopus Law School!*

All our LIVE courses come with a 100%, no-questions-asked money-back guarantee.Read the details here.
