Practice English Questions for CLAT 2026 [Answers and Explanations]

Ruchika Mohapatra · 05 Dec 2024

All set to start preparing for CLAT 2026? Start practicing with these English Questions for CLAT 2026.

Passage 1

"The air in the courtroom was heavy with anticipation as the lawyer stood to make her closing arguments. Her words were measured and deliberate, her gaze unwavering as she addressed the jury. The fate of the accused hung in the balance, and every person in the room knew the weight of their responsibility. Silence fell as she concluded her speech, and the jury began their deliberations."

Q1. What is the tone of the passage?

a) Suspenseful
b) Optimistic
c) Melancholic
d) Humorous

Answer: a) Suspenseful
Explanation: The passage conveys tension and anticipation, emphasizing the weight of the trial and the responsibility of the jury, creating a suspenseful tone.

Q2. What does the word "deliberate" most likely mean in the context of the passage?

a) Careless
b) Hasty
c) Intentional
d) Confused

Answer: c) Intentional
Explanation: In the context, "deliberate" means intentional and measured, aligning with the

lawyer's careful approach to her speech.

Passage 2

"The rapid expansion of cities has led to significant challenges, including housing shortages, traffic congestion, and pollution. While urbanization drives economic growth and innovation, it often leaves vulnerable populations behind, struggling to access basic amenities. Solutions must address these inequalities while promoting sustainable development."

Q3. Which of the following is the main idea of the passage?

a) Urbanization benefits everyone equally.
b) Urbanization has both advantages and disadvantages.
c) Vulnerable populations benefit the most from urbanization.
d) Economic growth is not linked to urbanization.

Answer: b) Urbanization has both advantages and disadvantages.
Explanation: The passage discusses both the benefits (economic growth and innovation) and challenges (inequalities and sustainability issues) of urbanization.

Q4. What does the word "vulnerable" most likely mean in this context?

a) Weak and incapable
b) Open to harm or disadvantage
c) Economically unstable
d) Politically marginalized

Answer: b) Open to harm or disadvantage
Explanation: In the context, "vulnerable" refers to populations more likely to face harm or challenges in accessing basic amenities.

Q5. Choose the word that best fits the blank:

"The scientist's explanation was so _____ that even non-experts could easily understand the concept."
a) Obscure
b) Lucid

c) Tedious

d) Ambiguous

Answer: b) Lucid

Explanation: “Lucid” means clear and easy to understand, which aligns with the sentence.

Q6. Identify the grammatically correct sentence:

a) Neither of the answers are correct.

b) Each of the players have their own locker.

c) The committee has submitted its report.

d) There’s many reasons to doubt his story.

Answer: c) The committee has submitted its report.

Explanation: “Committee” is a collective noun, and the singular verb “has” is correctly used.

Q7. Identify the conclusion best supported by the following statement:

“Every successful entrepreneur is innovative, but not all innovative people are entrepreneurs.”

a) Innovation is not required for success.

b) All entrepreneurs are innovative.

c) No entrepreneurs lack innovation.

d) Some innovative people cannot succeed.

Answer: b) All entrepreneurs are innovative.

Explanation: The statement implies innovation is a necessary trait for successful entrepreneurs, supporting option b.

Q8. Find the assumption in the argument:

“Reading habitually improves vocabulary, so students who read regularly perform better in language tests.”

a) Students enjoy reading.

b) Vocabulary is irrelevant to language tests.

c) Improving vocabulary helps in language tests.

d) Regular reading is the only way to perform better.

Answer: c) Improving vocabulary helps in language tests.

Explanation: The argument assumes a link between vocabulary improvement and better performance in language tests.

Fill in the Blanks

Q9. Fill in the blank with the most suitable option:

"The manager's _____ response to the crisis earned him the respect of his team."

a) Flippant

b) Composed

c) Reckless

d) Irate

Answer: b) Composed

Explanation: "Composed" fits the context, indicating the manager's calm and controlled reaction.

Q10. Fill in the blank:

"Despite the challenges, she remained _____ in her determination to succeed."

a) Resolute

b) Ambivalent

c) Apathetic

d) Vacillating

Answer: a) Resolute

Explanation: "Resolute" means firm and determined, fitting the sentence context.

Error Detection

Q11. Identify the part of the sentence with an error:

"The teacher, along with her students, were present in the hall."

a) The teacher

b) Along with her students

c) Were present

d) In the hall

Answer: c) Were present

Explanation: The correct verb is “was” because the subject “teacher” is singular.

Q12. Find the error:

“Hardly had he entered the room when the meeting had started.”

a) Hardly had he entered

b) The room

c) When the meeting

d) Had started

Answer: d) Had started

Explanation: The correct form is “started” without “had” because the sequence is clear.

Cloze Test

“Technology has become an integral part of education, _____ (Q13) tools such as online platforms and interactive software enhance learning. However, it is _____ (Q14) that the excessive use of technology can lead to distractions.”

Q13.

a) Since

b) Because

c) With

d) As

Answer: c) With

Explanation: “With tools such as” introduces the tools effectively.

Q14.

a) Essential

b) Obvious

c) Notable

d) Inevitable

Answer: d) Inevitable

Explanation: “Inevitable” fits the context, suggesting an unavoidable outcome.

Passage 3

“Social media has transformed how individuals communicate, breaking geographical barriers and creating opportunities for global interactions. However, this digital revolution has also led to concerns about privacy, misinformation, and the erosion of face-to-face communication.”

Q15. What is the primary concern raised in the passage about social media?

a) It has reduced access to global interactions.

b) It encourages face-to-face communication.

c) It poses challenges such as privacy issues and misinformation.

d) It has no significant impact on society.

Answer: c) It poses challenges such as privacy issues and misinformation.

Explanation: The passage explicitly mentions privacy, misinformation, and reduced face-to-face communication as concerns.

Q16. Which word best describes the tone of the author in the passage?

a) Critical

b) Enthusiastic

c) Indifferent

d) Satirical

Answer: a) Critical

Explanation: The tone is critical as the author highlights both the benefits and drawbacks of social media, focusing on the challenges.

Q17. Choose the most appropriate synonym for the word “transformed” in the passage above:

a) Changed
b) Diminished
c) Replaced
d) Simplified

Answer: a) Changed
Explanation: “Transformed” in the context means “changed significantly.”

Q18. Select the word that best fits the blank:

“The board was impressed by her _____ approach to solving the problem, which balanced creativity with practicality.”

a) Pedantic
b) Innovative
c) Dogmatic
d) Regressive

Answer: b) Innovative
Explanation: “Innovative” aligns with creativity and practicality in problem-solving.

Q19. Which of the following conclusions can be logically drawn from this statement?

“Books are a better medium for knowledge retention than digital screens because they reduce distractions and enhance focus.”
a) People who read books are always more knowledgeable.
b) Digital screens are completely useless for learning.
c) Focus plays a key role in knowledge retention.
d) Books are cheaper than digital devices.

Answer: c) Focus plays a key role in knowledge retention.

Explanation: The statement emphasizes the importance of focus for retaining knowledge.

Q20. Find the assumption in the argument:

"Students who engage in extracurricular activities perform better academically because such activities improve time management and reduce stress."

a) Only students with extracurricular involvement can manage time well.

b) Time management and stress reduction positively affect academics.

c) Extracurricular activities are more important than academics.

d) Academic performance is unrelated to time management.

Answer: b) Time management and stress reduction positively affect academics.

Explanation: The argument assumes a causal link between these factors and academic performance.
