Previous Years' Question Papers for CLAT UG [2019–2026]: Download for FREE! [Redirects to Lawctopus]

Adtiya Aryan · 11 May 2026

If you are preparing for **CLAT 2027**, one of the smartest things you can do right now is start **solving previous year question papers** consistently.

They help you understand the actual pattern of the exam, improve comprehension and time management, and get comfortable with the kind of questions CLAT asks year after year.

To make this easier, we've put together a **free eBook** containing CLAT UG Previous Year Papers from 2019 to 2026 in one place.

Along with the papers, the eBook includes practical tips and strategies for approaching them effectively, avoiding common mistakes, and improving your performance with regular practice.
