About Manupatra

Manupatra is a leading brand that has been innovating at the intersection of technology and law since 2000.

As a digital pioneer, Manupatra was the first to offer electronic accessibility to Indian and international legislative, regulatory, and procedural materials through an exhaustive database. With the use of analytics, enterprise search, and information retrieval technology such as ML, AI, and NLP, we deliver powerful decision-making tools to our users across the globe.

Through the years, we have expanded our product range to include technology tools for Compliance Management, Contract Management, Case Management, Case Tracking, IPR Management, Online Learning and more. We strive to be the essential partner for legal professionals, aiding them in winning cases, enhancing work efficiency, and delivering superior client service.

About Lawctopus & Lawctopus Law School

Lawctopus.com, started in 2010, is the go-to career platform for law students and young lawyers, publishing events and opportunities like conferences, workshops, moots, essay competitions, and internships and jobs.

Lawctopus today gets over 4 lakh readers a month and is the preferred choice of colleges, universities, coaching institutions, and ed-tech players who want to reach out to law aspirants and law students.

Lawctopus Law School (LLS) is an online legal education portal which provides online certificate courses, both live and self-paced to young lawyers and law students across India.

Over 15,000 learners have done courses by LLS and the average course rating stands 92.5/100.

Collaboration between ManuContract and Lawctopus Law School

Lawctopus Law School (LLS) and Manupatra have entered into a collaboration wherein students of the Legal Research & Writing Course, and the Moot COURSE (& Competition) by LLS will get free access to Manupatra for 2 months.

Manupatra and LLS will also organize regular webinars for our students, readers, and subscribers.
