Webinar on ‘AI-The Emerging Regulatory Landscape’ by upGrad [Dec 2; 7-8 PM]: Register Now!

Ruchika Mohapatra · 24 Nov 2023

About the Webinar

upGRAd is organizing a **webinar on ‘AI-The Emerging Regulatory Landscape’** on **December 2, 2023 between 7 PM to 8 PM**. This webinar by upGrad will focus on strategies, insights and practical guidance for thriving in the Gen AI era.

About the Speaker

The speaker for the webinar is **Prof. Krishna Deo Singh Chauhan, Assistant Professor at O.P Jindal Global University (JGU)**. Prof. Krishna Deo Singh completed his undergraduate degree in Law from the National Law Institute University, Bhopal, and his post graduate degree from the National University of Singapore specializing in Intellectual Property and Technology Law.

He was the lead member of the project for developing the ‘Certificate Programme on Technology Management’ commissioned by the Department of Scientific and Industrial Research, Ministry of Science & Technology, Government of India.

Prof. Krishna Deo Singh is currently writing his doctoral thesis on the regulation of artificial intelligence. He is also a member of the Jean Monnet Chair established by The European Union at the OP Jindal Global University.

Benefits of Attending the Webinar

Artificial Intelligence has quickly made its foray into the public consciousness over the last few months. Regulatory questions have exploded around AI. Because of the pervasive nature of AI’s applications, the impact of its regulation is likely to be felt in all sectors, and therefore, irrespective of the field of interest, this topic has gained relevance for all professionals.

In this webinar, two main points will be discussed for the benefit of the learners:

- Unique features of AI regulation
- Features of AI regulation – what makes it one of a kind and particularly challenging?

How to Register?

Interested applicants can register through the link provided at the end of the post.

Date and Time

Saturday, December 2, 2023, 7-8 PM.
