Feedbacks from our Summer Training Program Learners

Vignesh Thumuluri, 4th year, Damodaram Sanjivayya National Law University, Visakhapatnam (Corporate Vertical)

My overall experience of the Lawctopus Summer Training Program, was truly outstanding. The course was meticulously designed, offering a perfect blend of theoretical knowledge and practical insights. Each module was engaging and packed with valuable information that significantly deepened my understanding of corporate law. The assignments were challenging yet rewarding, and the instructors were knowledgeable and incredibly supportive. This program not only expanded my legal expertise but also ignited a greater passion fo**r corporate law.**

Tishaa Nag, 1st year, KIIT School of Law (Litigation Vertical)

My experience during this one month course was actually very insightful a I got to learn a lot of things. Given I am still at my beginning stages of as a law student so I was not exactly that well prepared in comparison to my peers, however this course has helped me in shaping myself for my future endeavors for the next 4 years by providing me a better idea and view of the law field.

Sanjukta Baral, 5th year, NERIM (Corporate Vertical)

I enjoyed learning and came to know about so many things that our college has never taught us, I have drafted a Sale Deed Agreement for the first time, written research papers, and drafted an MOA, Mergers & Acquisition. Every Saturday we had networking sessions on how to get an internship or Job, and how to make a CV. I would like to thank Tanuj Kalia sir, Mansi ma’am, Akansha ma’am, and other mentors who have taught us and guided us in every possible way.

Manraj Singh Chandpuri, Class 12 Graduate (Budding Lawyers Vertical)

The entire course was structured extremely well. Guidance of mentors and teachers such as Maansi Ma’am, Jaibatruka Sir and Aditya sir, really helped everyone in the course inorder to expand their wings with respect to entering into the Legal Community. I would recommend this course to everyone, as it really offers a lot. Kudos to Lawctopus for making such an amazing & professional course available at such a minimal cost, the cost was much more valuable.

Alfia Sarwar Ali, 4th year, Aligarh Muslim University (Budding Lawyers Vertical)

The course was very well structured and organized which made it easy for me, as a learner, to get the most out of. The various instructors were excellent in their respective courses and made sure that there were no questions left unanswered which really helped me. It was an amazing experience overall.

Ajay Singh, 4th year, SRM University (Litigation Vertical)

The summer training program was a well-planned and carried out course. It had all of the intricacies essential for litigation. It gave a one-stop solution in the future for understanding the practical aspects, whether civil or criminal.

11 Benefits of Doing the Winter Training Program

1. Get learning equivalent to spending 1 year in the profession!

If you haven't gotten a high-quality internship this winter or aren't doing a rigorous course, this is the best (and better) replacement for the learning that you might be missing out on!

2. Recommendation Letter by Lawctopus

If you do well in your Training Program and your assignments, you will get a recommendation letter from Lawctopus, which will be beneficial for you when applying for internships and jobs in the future.

3. Learn the skills and get career-ready

Through a winter training program, you'll gain specific, real-world skills which will help you get internships, freelance opportunities, and jobs.

Learning these skills independently will cost you at least 24 months and at least Rs. 4-5 lakhs.

However, through the WTP, you can learn these skills with less money and by investing 20-30 hours per week.

4. Secure a Training Certificate

On successfully completing the program, you'll get a 'certification of completion' of the winter training by Lawctopus Law School which will enhance the value of your CV.

5. Enhance your skills from the comfort of your home!

Since WTP is completely online, you can spend time with your family and get trained from the comfort of your home.

6. Work on 'Learning by Doing' Assignments with close supervision

The assignments we give you will mirror the real world. Our feedback is 'just meant for you,' not some general *gyaan* we dole out.

7. Publish your work in our law journal

Throughout the Winter Training Program, you will work on a research and writing essay. Quality write-ups have a chance to be published on Lawctopus!

8. Learn and Network with your Peers and Seniors

Networking is a critical part of the legal profession. Every week, for one hour, you'll participate in focused networking sessions where you'll learn networking and then actually network. Introvert? Not a problem! We have you covered.

9. Gain career clarity through live sessions

You'll leave the WTP having addressed 90% of your career questions. Each week, in focused 1.5-hour career sessions, you'll learn essential skills like making a CV, drafting an SOP, securing internships, and more.

10. Get direct guidance from field experts

Gain practical, real-world career insights from experienced professionals in your field. Whether you're pursuing a path in litigation, corporate law, or just starting your legal journey, learn how to excel in your chosen career area

11. Perfectly fits your college/professional schedule

With all sessions scheduled in the evenings, you can easily participate in this training program without disrupting your college/professional routine!

FAQs (Frequently Asked Questions)

1. Can students who have just completed their first year participate?

Yes, first-year students can participate, provided they are willing to spend 2-3 hours per day on the program.

2. Is this a certificate program?

Yes, on ‘successful’ completion of the program, you’ll be awarded a **completion certificate** by Lawctopus Law School

Participants who perform exceptionally well in the Winter Training Program will get a **merit certificate** from Lawctopus Law School.

3. What does ‘successful’ completion mean?

Lawctopus is not in the business of distributing certificates.

To complete the WTP, you need 66% attendance in the LIVE sessions and clear all the assignments (we are liberal in our marking and always give a 2nd chance).

We are rigorous about this yet warm and caring in our approach.

We know we’ll have students who are in the best law colleges and have studied at the best English medium schools. We’ll also have students from tier 3 or 4 towns, lesser-known colleges, and from vernacular medium.

We have got you covered! All that we require is sincere engagement from your end.

4. How will the training program help me?

If done properly and as designed, the training program will compress 2 years of post-college learning into 1 month. The program’s design is rigorous.

The training program is also for those who haven’t secured high-quality internships/summer school. You know that internships are often a hit-and-miss situation and want a practical learning experience that’s a sure-shot gateway to career success!

5. What are the timings of the LIVE sessions?

The timings of the LIVE sessions will be **5 pm-6.30 pm**, 5 days a week and the schedules for exact dates and timings have been attached here:

WTP for Budding Lawyers

WTP on Litigation Skills

WTP on Drafting and Research Skills for a Career in Corporate Law

Please note that the dates/timings *may* change in rare cases. If any adjustments are made, we will inform you promptly.

6. What if I miss a LIVE session?

We strongly encourage you to attend sessions LIVE. If you miss the session due to some emergency, the recorded version will be available for viewing.

7. What's the language of instruction?

English

8. My English is weak. Can I participate in the program?

You can participate in the program if you can read and write in English.

The Curriculum of the WTP

Our curriculum is **rigorous** (it requires **20-30 hours of work per week**), **practical** (it mirrors real-life work), **caring** (it supports students of all colleges and years), and **personalized** (you get individual feedback).

You can check the draft curriculum and structure for the 3 programs by clicking on the links below:
